

DARLING WINE IN A CAN

ROSY DARLING

ROSÉ

With a low carbon footprint and a higher recycling rate than glass, this innovative packaging solution ties in beautifully with Cloof's sustainable wine production practices and underwrites why this award-winning wine producer is a WWF Conservation Champion.

Of course, the wine is of the same high standard associated with the Cloof brand.

VINTAGE: NV	VINIFICATION:
VARIETALS: Sauvignon Blanc and Merlot	Combination of juices from red and white grapes, blended together Ferment dry @ 12°C Treated as white wine
ORIGIN: Darling Region	No lees contact
PLANTED: 1992	Stabilised and canned
TRELLISING: Bush Vines	TASTING NOTES AND FOOD PAIRING
IRRIGATION: Dry Land	From hand-picked grapes this Rosé is delicately pink in colour with a delightful fruity aroma of strawberries which leaves a juicy, lingering fresh finish.
SOIL: Decomposed granite and oak leaf	It is refreshing and light and can be enjoyed on its own, but it pairs well with chicken, salmon, cold meats and any seasonal salad.
HARVEST DATE: End January	Best served chilled. Enjoy it with friends and family.
